

Faculty Senate

# WESTERN KENTUCKY UNIVERSITY

BOWLING GREEN, KENTUCKY 42101

TO: MEMBERS OF THE FACULTY SENATE  
FROM: TOM JONES, CHAIR  
DATE: DECEMBER 11, 1978  
SUBJECT: DECEMBER FACULTY SENATE MEETING

This is to notify you of the Faculty Senate meeting on Thursday, December 14, 1978, at 3:10 p.m., in the Garrett Conference Center, Rooms 202, 203, 204.\*

Board Chairman David Cole has again accepted an invitation to make brief remarks to us. I pointed out this time that I would be pleased if he accepted the invitation only if he could be largely certain that he would be able to make the meeting, and he assured me that only a judge could prevent his being there.

This meeting is an important one: the Parks committee, especially, has significant materials which must be dealt with. I urge your attendance. If you are unable to attend, I would consider it a courtesy to the Senate if you would notify me, and if you would designate a non-voting observer.

There will, of course, be reports from the other standing committees.
